The AviAssist Foundation is the regional affiliate of the **FLIGHT SAFETY FOUNDATION**

## Bird strike prevention workshop for EAC

**Kilimanjaro Airport, Tanzania, 10-13 November 2009**

**Only 20 places available - early registration essential**

Subject matter ensures course's relevance to novice and expert alike. Course subjects include:

- Rules and regulations
- Airport familiarization
- Aircraft familiarization
- Wildlife hazard assessment
- Wildlife hazard management programs
- Wildlife and bird identification
- Record keeping & strike reporting
- Land use management

Intended participants include:

- Airport staff & management
- Chief pilots and pilots
- Airline safety officers
- Air force operational staff
- Regulatory staff
- Biologists and ecologists
- Advanced biology & ecology students
- Safety trainers at aviation schools

The costs of the workshop are borne by the Netherlands Ministry of Transport, KADCO & KLM, making participation to this course free. The workshop is only accessible for experts from the 5 East African Community States.

Participants have to take care of the cost of their own transport, accommodation, visa etc.

For further information and registration forms, contact Tom Kok at [tom.kok@aviassist.org](mailto:tom.kok@aviassist.org)

Register before 10 October 2009 to secure a place
