

This cartoon has been produced to help airport operators in Africa work with the communities & schools around them

BIRDS AROUND THE AIRPORT

One chilly morning, retired pilot Mwalimu walks his grandson Kijana to school near Kisaawe airport.....

Like people, animals look for food, shelter for nesting, water and also a place to relax after a beautiful meal next door....

This cartoon has been produced by:
AVIASSIST FOUNDATION
Independent | Innovative | non-profit
Storyline:
Airport wildlife expert Gloria Bitekezi
Cartoons:
Bally Joezy Bukeny - balijoezf@gmail.com
Development assistance:
Albert de Hoon, Jan Huizing (GAE), Hans van Dijkhuizen & Joep Kievits - KLM Royal Dutch Airlines.

The AviAssist Foundation encourages the reproduction of this cartoon for aviation safety promotion purposes. All we ask in return is you letting us know that you use it and where. Do you want to use this cartoon for the communities around your airport but you'd like it in Buganda, Kiswahili or Chinyanja? Get it touch with us at info@aviassist.org and we can work with you to translate it in the language of your choice. Then we can send you a digital version of the cartoon that will allow you to maken colour/black & white copies where you are. The production has been funded with a grant from Groningen Airport Eelde
